

BAY FLATS LODGE

FISHING WITH US? WHAT TO EXPECT. If you are driving to Bay Flats Lodge, plan to arrive between 3-4 P.M. for check-in. Our staff will then move you into your room, give a tour of the facilities, and appetizers will be served out at the outdoor kitchen. Dinner will be served between 6:00 and 6:30 P.M. After dinner, you're welcome to relax in the rocking chairs on the deck, sit around the fire ring, play cards, washers, horse shoes, or tell stories in the outdoor kitchen.

A hot breakfast will be served along with a continental breakfast between 5:00 and 6:30 A.M. After breakfast you will be met by two 6-passenger golf carts at the bottom stairs of the great room, and driven to our private docks at the end of our driveway where you will meet your guide for a daybreak departure. Lunch will be served on the boat and will consist of croissant sandwiches with plenty of meats and cheeses, Miss Vick's chips, chocolate chip and white macadamia nut cookies, with plenty of cold bottled water and soft drinks. The fishing day usually last 8 hours, after which you will be brought back to the lodge to shower and relax before your drive home, or stay over another evening at the lodge.

Thanks and enjoy your adventure at Bay Flats Lodge,

-CAPTAIN CHRIS MARTIN
